Admission to course:

You may attend this course ONLY if you have in-date advanced first aid (Level three South African Standards, First Aid at Sea or equivalent). C-DOC can only issue **IMCA**-Recognized certificates to students who meet the following criteria:

- The student must hold an offshore qualification in diving. This can be an Class II, LST, diving supervisor, or diver qualification recognized by **IMCA** (which is of an offshore grade)
- The student must hold a valid diving medical as a suitable to go under pressure in a chamber

Certificates for those not meeting the above criteria who attend the entire course will be given a **Ships Captain Medical Certificate** and **Occupational Dive Medical Training** certificate. If you are unsure of your first aid certificate please call us.

Candidate not in possession of an appropriate qualification can attend the course one week earlier to attain standard pre requisite.

Acceptance of application: Your booking will only be secure once we receive your deposit. Please fax the deposit slip with your name and contact details clearly printed alongside. Student will then receive a Registration contract.

Payment: You are required to pay R4000.00 deposit when making a booking. This deposit is strictly non-refundable. The balance of the course fee is to be paid in full on commencement of course
